BAKING POWDER

Is a pure baking powder no alum, lime or ammonia.

No acid but that from grapes -which is pure, pleasant and healthful-enters into Dr. Price's Baking Powder.

Fruit acids are accounted by hygienists the most important of the elements of the food of man, and of these the acid of the grape is most prominent.

Dr. Price's Cream Baking Powder is not only the most efficient and perfect of leavening agents, but owing to its constituents is likewise promotive of health.
